## Catifa 80

**Catifa 80 is a light, low lounge chair with a pronounced horizontal character. Its reduced profile and wide seat are generous without being heavy or bulky. On its own it is a quiet, comfortable resting place or, grouped, a serene space for waiting or gathering. Made for both residential and contract use, Catifa 80 can be covered in leather or fabric. The base is available in aluminum four-way trestle with swivel or return mechanisms, chrome-finish sled base or central base in lacquered steel. The Catifa 80 Collection is GreenGuard certified.**
