

DIZZIE

arper

Dizzie

With a deceptively simple, visually striking, silhouette, Dizzie tables are ideal for diverse settings from the domestic to the commercial. The sensuous, organic shape of the base suggests a drop of mercury.

Table bases are available in chrome or white-lacquered steel. White or laminate MDF tops are available in large oval, round, square or small oval. The smallest version (51x47 cm - 20 1/8" x 18 1/8") is available with oval base and table top edge lacquered in seven vibrant colors – light blue, gray, moka, red, sand, green and black – in addition to white.

Designer

Lievore Altherr Molina, 2004

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manuel Molina in 1991. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients of the prestigious National Design Award (1999) in Spain where they practice and teach extensively.
