## Saari

The Saari collection is a seating system of chairs, armchairs, sofas and benches designed for restaurants, bars, hotels and lobbies. A synthesis of classic and contemporary, its sculptural shape is enhanced by a wide range of colors and materials.

Available as chair, armchair, bucket seat and a one-, two- and three-seat sofa and bench. A wood and metal frame upholstered in fabric or leather is mounted on a four-leg steel base which can be lacquered, chromed or veneered. The armchair and bucket chair versions are also available with trestle base, with or without castors. Now enter a few new additions: Saari XL with generous seats in graduating widths gives more comfort and volume. The Guest Chair with enclosed base emphasizes Saari's architecture and expression. Complementary pillows are available in two dimensions (50 x 37 cm and 45 x 32 cm - 19 5/8" x 14 5/8" and 17 3/4" x 12 5/8") with inserts made of down and covered in fabric, faux leather, leather, or custom fabric.

The Saari Collection is GreenGuard certified.
