Strict Line

Strict Line är enkel att anpassa efter lokalens behov. Den finns i flera storlekar och i rakt eller rundat utförande.

Strict Line is easy to adapt to premises requirements. It is available in several sizes and in two versions: straight and curved.

Välj mellan lackad MDF för en lite mer strikt känsla, eller i trälaminat, för ett varmare och mer välkomnande intryck

Finns i fleratal standardstorlekar men det finns stora möjligheter att kundanpassa.

Strict Line is a reception desk available in either lacquered MDF for a stricter appearance or in laminated wood, which gives it a warmer and more welcoming character.

Available in several standard sizes but is also possible to customize according to your requests.

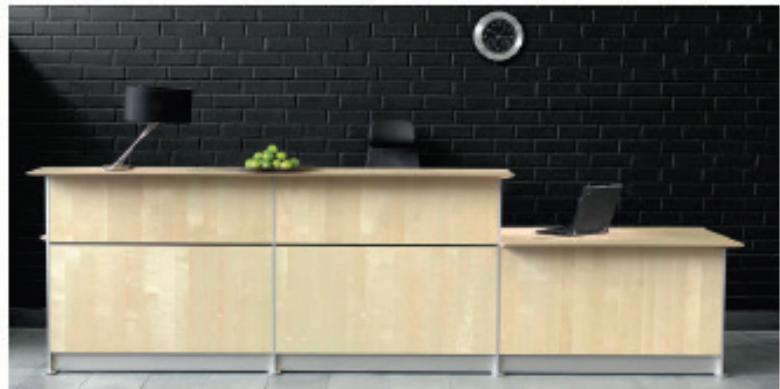

Teknisk information/Technical information

STRICT LINE

Strict Line reception counters are available in both curved and straight versions. The product is available in several standard sizes but can be tailored to customer needs.

Standard version with white lacquered fronts, (NCS S0500-N), top & workplate in laminate F1810, body and base in natural anodized aluminum. One cable inlet / worktop, Cable duct as standard for height adjustable table top. The front is available in perforated version with sound absorber.
