

# CILA

---

arper

## Cila

**A simple gesture, a sensuous feel. The fluid form of Cila was inspired by the image of layers of cloth enveloping the body. Its silhouette of smooth lines retains a graphic character from its distinctive curve — the most essential symbol of shelter. Like being protected, like being held.**

### Designer

Lievore Altherr – Alberto Lievore (Buenos Aires, 1948) and Jeannette Altherr (Heidelberg, 1965) – begins in 2016 after a 25 year trajectory as Lievore Altherr Molina. The Barcelona-based studio specializes in product design & development, strategic consulting, creative direction, art direction, and architecture for internationally recognized design companies. Lievore Altherr develops projects using an established strategy: a creative concept integrating product design and its communication. This holistic approach, humanist character, and the search for the essential in their projects – combined with a sensibility that transmits harmony and balance – characterize the designs of Lievore Altherr.
