LOOP

**arper**

Loop

Loop is a modular system of soft sofa elements that combine in short clusters or long, flowing lines as unique and expressive as a signature. While graphic in form and silhouette, the overall effect is almost architectural. In large spaces the linear form inscribes areas for waiting, resting and meeting. At home, it may be compact or commanding depending on what is required.

The Loop Collection is GreenGuard certified. A padded wooden frame mounted on a brushed steel structure with steel or aluminum feet is upholstered in a wide range of fabrics. A fully removable velcro-fastened cover is available. System elements include both short (131 cm - 52 1/2") and long segments (196 cm - 77 1/8"), concave (30°) and convex (30°/45°/90°) corner units and armrest ends that can be attached and detached. Custom upholstery is also available.

Complementary pillows are available in two dimensions (48x54 cm - 18 7/8" x 21 1/4" and 38x54 cm - 14 7/8" x 21 1/4") with black decorative piping. Pillow inserts are made of down and fiber and covered in fabric, faux leather, leather, or custom fabric.

Designer

Lievore Altherr Molina, 2009

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.

Awards
