DESCRIPTION

IT La forte identità di questa sedia nasce dalla sua struttura reticolare, che crea un affascinante effetto visivo. È proposta in diversi colori, con base a slitta o a quattro gambe in acciaio verniciato o cromato, con o senza braccioli e anche in versione sgabello. Leggera, resistente e impilabile, è ideale per l'utilizzo in situazioni outdoor.

EN The strong identity of this chair comes from its net structure, which creates a fascinating visual effect. It is available in various colours, with sled base or four legs in lacquered or chromed steel, with or without armrests, and also as a stool. Light, strong and stackable – ideal for outdoors.

IT — NETT R/SB Scocca in polipropilene. Cuscino opzionale.
Base a slitta in acciaio cromato o verniciato.
EN — NETT R/SB Shell in fiberglass reinforced polypropylene.
Optional cushion. Available with sled base in chromed or lacquered powder coated steel.

DESCRIPTION

IT Ideale complemento delle omonime sedute, ma perfettamente abbinabile a molti altri modelli della collezione Crassevig, i tavoli quadrati o rotondi Nett sono contraddistinti dalla struttura con snodo a tre vie in fusione di alluminio, un elemento di alto valore tecnico sul quale si innestano le gambe e il piantone. Molto apprezzato, soprattutto negli ambienti esterni, il piano ribaltabile che permette di riporre i tavoli in spazi ridotti.

EN Ideal accessory for Nett chairs, but perfect match for many other Crassevig models, the structure of the round or square Nett tables includes a three-way welded aluminium joint, a high-tech element into which the legs and column are fitted. Very popular, particularly for outdoors, is the flip top, enabling the tables to be stowed in a restricted space.

IT — NETT T Struttura in alluminio. Top in laminato HPL. Verniciato a polveri poliesteri. Adatti per uso esterno.
EN — NETT T Frame in aluminium. Top in HPL High pressure laminate. Powder coated. Suitable for outdoor use.
